

vtwonen

collection

Proudly we present the vtwonen collection, designed by vtwonen.

For more than 50 years, vtwonen has been the leading home decoration magazine on the Dutch market. Always original, always one step ahead, always with a good dose of inspiration and great ideas. vtwonen is more than just living, it's a lifestyle.

Just as vtwonen, this new vtwonen collection adds flavour and style to your home. Vases, cushions and beautiful rugs, all designed with the right mixture of shape, material, colour and size. And to top it all; the all-time favourite vtwonen tableware. The ivory white tableware offers the perfect base for a weekday lunch or a festive dinner with friends. A good basic that combines perfectly with every style, from basic to classic. In Holland a design classic; now ready to conquer the rest of the world.

I hope you'll enjoy this collection as much as we did designing it.
